POINTERS FOR HOMEOWNERS

BY INSTALLING WINDOW GUARDS ON ALL WINDOWS ABOVE THE FIRST FLOOR, HOMEOWNERS HAVE A WINDOW OF OPPORTUNITY TO MAKE THEIR HOMES SAFER FOR KIDS. THEY SHOULD ALSO KEEP FURNITURE, ESPECIALLY CRIBS, AWAY FROM WINDOWS AND REPLACE CORDED WINDOW TREATMENTS WITH TODAY'S SAFER PRODUCTS. CHILDREN CAN GET ENTANGLED IN LOOPED AND OTHER ACCESSIBLE CORDS. HUNTER DOUGLAS HAS MANY TREATMENTS THAT ELIMINATE OPERATING CORDS OR REDUCE ACCESS TO THEM. FOR OLDER WINDOW FASHIONS, FREE RETROFIT KITS ARE AVAILABLE FROM THE WINDOW COVERING SAFETY COUNCIL. LEARN MORE AT HUNTER-DOUGLAS--DOT--COM--SLASH--CHILD--DASH--SAFETY.

NOTE TO BROADCASTERS: OCTOBER IS WINDOW COVERING SAFETY MONTH.
