CONSUMER CORNER

A DANGEROUS SCAM THAT TARGETS USED CAR BUYERS IS ON THE RISE. THAT'S THE WORD FROM EXPERTS WHO SAY NEARLY EIGHT HUNDRED THOUSAND USED CARS ON AMERICA'S ROADS MAY BE PART OF AN EMERGING FRAUD CALLED TITLE WASHING. TITLE WASHING MAKES FLOODED CARS AND REBUILT WRECKS LOOK LIKE PROBLEM-FREE USED CARS ON PAPER. TO HELP CUSTOMERS, CARFAX VEHICLE HISTORY REPORTS ALERT PEOPLE TO CASES OF POTENTIAL TITLE WASHING. EVERY MOTOR VEHICLE DEPARTMENT IN THE U-S AND CANADA REPORTS BRANDED TITLES TO CARFAX. PROTECT YOURSELF BY SHOPPING AT THE ALL-NEW CARFAX--DOT--COM.
