THE ROAD TO SAFETY

WHEN IT COMES TO USED CARS, SAFETY IS NO ACCIDENT. HOWEVER, JUST BECAUSE A CAR WAS ONCE WRECKED, IT DOESN'T MEAN YOU SHOULDN'T BUY IT. JUST BE SURE IT'S BEEN PROPERLY REPAIRED. GET A MECHANIC'S INSPECTION AND A CARFAX VEHICLE HISTORY REPORT. THEY CAN TELL YOU HOW SEVERE THE ACCIDENT WAS, WHAT PARTS OF THE CAR WERE DAMAGED, WHETHER THE AIR BAGS DEPLOYED, AND HOW WELL THE CAR WAS REPAIRED. YOU CAN GET MORE INFORMATION AND SHOP FOR GREAT USED CARS, TOO, AT THE NEW CARFAX--DOT--COM.
