HINTS FOR HOMEOWNERS

THE UNEXPECTED BREAKDOWN OF A MAJOR APPLIANCE OR SYSTEM IN SUMMER CAN REALLY LEAVE A HOMEOWNER HOT UNDER THE COLLAR. BREAKDOWNS USUALLY MEAN COSTLY REPAIRS AND A LESS THAN COMFORTABLE HOME. A RECENT REPORT SHOWED THAT MOST FOLKS ARE NOT PREPARED FOR SUCH EXPENSES, YET TWO-THIRDS OF HOMEOWNERS HAD A MAJOR REPAIR OR REPLACEMENT WITHIN THE LAST YEAR. HAVING A HOME WARRANTY TO COVER YOUR APPLIANCE AND SYSTEMS PROVIDES A SAFETY NET FOR YOUR BUDGET AND, IN THE CASE OF TOTAL PROTECT HOME WARRANTY, SENDS THE RIGHT REPAIR PERSON TO FIX YOUR PROBLEM THE FIRST TIME. TO LEARN MORE, VISIT TOTAL-PROTECT--DOT--COM.
