D-I-Y CORNER

THE DAYS OF LUGGING A TOOL BAG FULL OF HAND TOOLS ARE OVER THANKS TO THE MULTI-TOOL. THIS VERSATILE TOOL CAN CUT, GRIND, SCRAPE AND SAND JUST ABOUT ANYTHING. AND MULTI-TOOL PRECISION AND POWER SET IT APART FROM A HAND TOOL USED BY ANYONE SHORT OF A SUPER HERO. FOR EXAMPLE: USE A WOOD-CUTTING BLADE TO REMOVE FLOORING BETWEEN JOISTS. CHANGE TO A METAL-CUTTING BLADE TO CUT A NAIL IN BASEBOARD. OR USE THE TEAR-DROP SHAPED 3-MAX BLADE TO REMOVE THINSET OR GROUT FOR NEW TILE. FOR MORE INFORMATION, VISIT BOSCH-TOOLS--DOT--COM--SLASH--O-I-S.
