SAVING CARS AND CASH

THE AVERAGE CAR ON THE ROAD IS ELEVEN YEARS OLD. THE GOOD NEWS: YOU CAN SAVE ON REPAIRS WITH HIGH-QUALITY USED PARTS. YOU JUST GO TO PULL-A-PART--DOT--COM, FIND OUT WHETHER YOUR VEHICLE IS IN STOCK AND THE PRICE OF YOUR PART. THEN GO TO THE [PULL-A-PART](http://PULL-A-PART--DOT--COM) STORE AND PULL THE PART, YOURSELF. AS A BONUS, YOU CAN BE GREEN WHILE SAVING SOME GREEN. BUYING A USED CAR PART KEEPS IT FROM THE LANDFILL. LEARN MORE AT PULL-A-PART--DOT--COM.
