CAR CORNER

FOR DEPENDABLE VEHICLE OPERATION, IT'S ESSENTIAL, FOR STARTERS, TO PREVENT IGNITION SYSTEM FAILURE. TRY TO AVOID FREQUENT ENGINE ON-OFF CYCLES, WHICH WEAR OUT THE STARTER. OTHER FACTORS INCLUDE ROUGH WEATHER, HIGH MILEAGE, VEHICLE AGE AND EXCESSIVE USE OF IN-VEHICLE ENTERTAINMENT SYSTEMS. LOOK OUT FOR DIMMING LIGHTS, THE CHECK ENGINE LIGHT, AND NONWORKING ACCESSORIES. IT'S A GOOD IDEA TO INCLUDE AN IGNITION SYSTEM CHECKUP WITH YOUR VEHICLE MAINTENANCE SCHEDULE, SAYS THE CAR CARE COUNCIL. ITS FREE DIGITAL "CAR CARE GUIDE" IS AT CAR-CARE--DOT--ORG.
