LIVE HAPPILY EVER AFTER WITH YOUR CAR

A LITTLE EXTRA CARE CAN LEAD TO A LONGER LIFE FOR YOUR CAR. THE NONPROFIT CAR CARE COUNCIL OFFERS THESE TIPS: AN ANNUAL TUNE-UP CAN MEAN THE BEST BALANCE OF POWER AND FUEL ECONOMY AND LOW EMISSIONS. CHECK TIRE PRESSURE MONTHLY AND CHANGE THE OIL AND FILTER PER THE OWNER'S MANUAL. HAVE THE ALIGNMENT CHECKED ANNUALLY TO REDUCE TIRE WEAR, IMPROVE FUEL ECONOMY AND HANDLING, AND INCREASE SAFETY. A FREE "CAR CARE GUIDE" AND MORE INFORMATION ARE AT CAR-CARE--DOT--ORG.
