HEALTH NEWS

SINCE MULTIPLE SCLEROSIS IS A CENTRAL NERVOUS SYSTEM DISEASE THAT ISOLATES PEOPLE AND DESTROYS CONNECTIONS, IT'S FITTING THAT CONNECTION COULD BE ITS GREATEST ENEMY. AS CONNECTIONS FORM AMONG PEOPLE WITH M-S AND THEIR FAMILIES, THEY END UP WITH MORE KNOWLEDGE, RESOURCES, UNDERSTANDING, IDEAS AND HOPE. IN TIME, THE CONNECTIONS MADE CAN BECOME MORE POWERFUL THAN THE CONNECTIONS M-S DESTROYS. TO SHARE INFORMATION ABOUT M-S OR TO DONATE TIME OR MONEY, YOU CAN CONNECT WITH THE NATIONAL MULTIPLE SCLEROSIS SOCIETY AT M-S-CONNECTION--DOT--ORG.
