CAR CARE TIPS

SAVVY DRIVERS KNOW IT'S WISE TO WINTERIZE THEIR CAR BEFORE COLD WEATHER HITS. FOR PEACE OF MIND AND TO AVOID BEING STRANDED, THE CAR CARE COUNCIL RECOMMENDS THESE TIPS: IF YOU'RE DUE FOR A TUNE-UP, HAVE IT DONE. HAVE THE BATTERY AND CHARGING SYSTEM CHECKED. CLEAN, FLUSH AND PUT IN NEW ANTIFREEZE. CHANGE THE OIL AND FILTERS REGULARLY. HAVE THE EXHAUST SYSTEM CHECKED. MAKE SURE ALL LIGHTS, WIPERS, DEFROSTERS AND HEATERS WORK. CHECK THE TIRE TREAD DEPTH AND PRESSURE. AND HAVE THE BRAKES INSPECTED. FOR A FREE COPY OF THE COUNCIL'S "CAR CARE GUIDE," VISIT CAR-CARE-DOT-ORG.
