WRAPPING UP THE HOLIDAY SEASON

THE ELECTRICAL SAFETY FOUNDATION INTERNATIONAL HOPES YOUR HOLIDAY SEASON WAS FILLED WITH FRIENDS, FAMILY AND SAFETY. TO HELP KEEP SAFETY A HOLIDAY TRADITION IN YOUR HOME, E-S-F-I IS REMINDING YOU OF THESE POST-HOLIDAY TIPS: ALWAYS UNPLUG DECORATIONS BY USING THE GRIPPING AREA. PULLING ON THE CORD COULD DAMAGE THE WIRE AND PRESENT A SHOCK OR FIRE HAZARD. AS YOU TAKE DOWN HOLIDAY LIGHTS, INSPECT THE WIRING AND DISCARD ANY THAT HAVE CRACKED, FRAYED OR DAMAGED WIRE INSULATION. STORE ELECTRICAL DECORATIONS IN A DRY AREA THAT IS NOT ACCESSIBLE BY CHILDREN OR PETS. MAKE SURE TO LABEL OR STORE INDOOR DECORATIONS SEPARATELY FROM THOSE INTENDED FOR OUTDOOR USE. FOR MORE ELECTRICAL SAFETY TIPS, VISIT [W-W-W--DOT--E-S-F-I--DOT--ORG](http://www.e-s-f-i.org).
