Spice Up Your Life With Easy-To-Enjoy Jambalaya

(NAPSA)—For a fast, easy and delicious one-pot meal, few dishes can beat a jambalaya. Created by the unique blend of cultures that make up New Orleans cuisine, jambalaya is both satisfying and simple to make using whatever you happen to have on hand (thus excellent for that “end-of-week-clean-out-the-fridge-meal”). Known for its bold flavor and versatility, there’s no wrong way to make this crowd-pleaser.

“Jambalaya is a one-pot meal that combines elements of our French, Spanish, African and Acadian heritage,” explains New Orleans culinary authority and cookbook author Poppy Tooker. “Every jambalaya starts with what is often called the ‘trinity’ of seasoning vegetables—celery, onion and bell pepper—and, of course, rice and signature spices. Where you go from there is really up to you. Add seafood, smoked sausage, chicken or whatever you have on hand.”
