Honor All The Moms In Your Life

(NAPSA)—Each year on Mother's Day, many people take the opportunity to remember and celebrate not only their own mothers but all the women in their lives who have provided care and love. When you think about those women who have supported, nurtured and encouraged you, you may be glad to know you can show them how much they mean to you and make them feel special.

To help, 1-800-Flowers.com has flowers and gifts for every mother and mother figure. Here are some ways to show the moms in your life how much you appreciate them:

Look like a blooming genius this Mother's Day with gifts of beautiful blooms for all the moms in your life.

Your Kids' Mom

Whether she's been raising the kids for years, she's a brand-new mom or she's expecting your first child, the woman you're creating a family with deserves all the love you can show her. If your kids are old enough, involve them in choosing a gift you know their mom will love. Gifts from 1-800-Flowers.com go far beyond gorgeous flower bouquets. Consider a delicious fruit or gourmet food basket, or an indulgent spa or bath gift set with a plush robe—and have Mom feeling good long after Mother's Day has come and gone.

The Woman Who's Been Like a Mother to You

She might be your stepmom, grandmother, aunt, former teacher or beloved family friend, but you think of her on Mother's Day because she's always been there for you. She's provided a shoulder to cry on and been your cheerleader when you needed a boost to your morale. Consider a personalized gift with a sentimental message just for her, creating a meaningful keepsake that she'll always treasure.

With online or phone ordering available, 1-800-Flowers.com can help you make any mom feel loved.

The Fur Mom

She takes such good care of her fur babies—always making sure they're well fed and pampered, playing with them, showering them with affection and taking them to the vet. Show a great pet mom how much you appreciate the time and effort she spends caring for her animal companions with an adorable a-DOG-able flower arrangement that looks like a cute pooch, or a Fabulous Feline arrangement that resembles an adorable kitty.

Your Own Mother
