

COMING TOGETHER TO SAVE LIVES

EVERY DAY IN AMERICA, 2,000 DOGS AND CATS ARE KILLED IN SHELTERS. THAT MEANS THAT 83 DOGS OR CATS ARE KILLED EVERY HOUR. JUST BECAUSE THEY DON'T HAVE SAFE PLACES TO CALL HOME. THAT'S THE BAD NEWS. NOW HERE'S THE GOOD. BEST FRIENDS ANIMAL SOCIETY AND OUR 2,700+ PARTNERS ACROSS THE COUNTRY ARE DOING SOMETHING ABOUT IT. GOVERNMENT AND PRIVATE SHELTERS, SMALL AND LARGE RESCUE GROUPS, SPAY/NEUTER ORGANIZATIONS AND PEOPLE LIKE YOU ARE COMING TOGETHER TO SAVE MORE LIVES FASTER. IMAGINE A WORLD WHERE PUPPY MILLS DON'T EXIST. WHERE OUR SHELTERS GET THE SUPPORT THEY NEED. WHERE EVERY PET HAS A HOME. SEEM FAR-FETCHED? IT'S NOT. 35 YEARS AGO, 17 MILLION SHELTERED ANIMALS WERE KILLED ANNUALLY. TODAY IT'S AROUND 733,000. THAT'S STILL TOO MANY. BUT BY WORKING TOGETHER, BY SUPPORTING OUR SHELTERS, BY CHANGING SOME LAWS, BY TELLING OUR LOCAL ELECTED OFFICIALS WE DEMAND TO LIVE IN A NO-KILL COMMUNITY, WE'RE MAKING A LOT OF PROGRESS. THAT'S WHY WE'VE DECLARED A BOLD GOAL: CREATING A NO-KILL COUNTRY BY THE YEAR 2025. WE CAN DO IT. WE KNOW WHAT PROGRAMS WORK. WE KNOW WHERE MOST PETS ARE DYING. STEP BY CRITICAL STEP, WE'RE GETTING CLOSER. THERE ARE ALREADY NEARLY 4,300 NO-KILL COMMUNITIES IN AMERICA. FIND OUT IF YOUR COMMUNITY IS ONE OF THEM. DIVE INTO THE LIFESAVING COMMUNITY DASHBOARD. BECAUSE IT'S TIME TO SAVE THEM ALL. BEST FRIENDS. BEST FRIENDS.ORG.
