

UNSUNG HEROES

NURSES SAVE, PROLONG AND IMPROVE LIVES, AND NURSE EDUCATORS HELP OTHERS LEARN HOW TO DO SO, BUT ALL TOO OFTEN THEY'RE OVERWORKED AND OVERLOOKED.

NOW, HOWEVER, THEY'RE BEING HONORED THROUGHOUT NATIONAL NURSE'S MONTH IN MAY. AND NOT A MOMENT TOO SOON. A MILLION NURSES WILL RETIRE BY 2030.

THAT'S WHERE NURSE EDUCATORS COME IN. THEY GIVE STUDENTS THE KNOWLEDGE AND SKILLS THEY NEED. AND THE NATIONAL LEAGUE FOR NURSING PROVIDES NURSE EDUCATORS WITH THE NECESSARY RESOURCES TO SUCCEED.
