## Riders: Don't Put Your Powersports Passions on Hold

(NAPS)—Outdoor enthusiasts around the country are passionate about hopping on their ATVs, SxS (side by sides), dirt bikes, and snowmobiles to hit their local trails. But keeping these vehicles running like new, adding the latest accessories, and upgrading to the newest gear can be costly.

### The Barrier:

Like many other hobbies, powersports costs have grown significantly in recent years, but high costs don't have to stop many riders from making purchases they need to begin their next outdoor adventure.

### The Solution:

That's because consumers from all over the U.S. are financing with the Synchrony Outdoors credit card. Accepted at select powersports dealerships around the country, the Synchrony Outdoors credit card makes it fast and easy to get powersports accessories, gear, parts, fuel, services, and repairs you need so you don't have to put your passion on hold.\*

Key benefits include:

- **Promotional Financing:** Get what you want now, and then pay over time with convenient monthly payments.
- **Wide Acceptance:** The card can be

**You can soon be on the road to more fun with your powersports vehicle with the help of the Synchrony Outdoors Credit Card.**

used at thousands of locations nationwide, making it easy to continue your powersports journey.
